

Common Room Guidelines

FOR K9513, COMMON ROOM OF THE MSU, SASSA AND ORSU

- (1) Respect for each other in the Common Room:
 - (a) Look after each other and create a positive atmosphere in the Common Room. This is a safe space for everyone, and actions that make anyone feel uncomfortable for any reason will be taken very seriously.
 - (b) If someone is clearly busy with something, don't disturb them. For example, don't ask questions to someone who is already working on their own homework.
 - (c) Be especially considerate during exam times, and keep the volume down.
- (2) Use of the Common Room:
 - (a) Keep the Common Room clean, leave it as you would like to find it. Clean up the whiteboard after you use it (or it'll be hard to get off).
 - (b) Don't use the Common Room excessively for sleeping or other activities that are not social or related to academics.
- (3) Don't give the code of the Common Room to anyone you don't know very well.
- (4) Don't take anything away from the Common Room that is not yours.
- (5) Refer to your common sense or the elected executives from the MSU, SASSA or ORSU when it comes to any other use of the Common Room.
